4-22-23... CAROC Spring Drive to the Edith Farnsworth House - **CAROC event!**

Date: Saturday, April 22

Time: 9AM

Location: Geneva area

Mark your calendars for Saturday, April 22 for the CAROC Spring Drive. We'll meet up in Geneva at 9:00 and depart with driving instructions at 9:15 taking the "long way" to the Edith Farnsworth House in Plano. The drive will take us west on open country roads towards Shabbona State Park, then south to the Illinois River. Following the meandering river east a bit, then heading north to the destination.

The ***Edith Farnsworth House*** is a historical house designed and constructed by Ludwig Mies van der Rohe from 1945 to 1951. It was commissioned by Dr. Edith Farnsworth, a prominent Chicago nephrologist, musician and poet as a weekend retreat to relax, entertain and enjoy nature. The house is recognized as an iconic masterpiece of the International Style of architecture and has National Historic Landmark status. We'll check out the Visitor Center and Museum, followed by a private tour of the House. A casual lunch at a nearby restaurant will conclude by mid-afternoon. **More details to come.**
