NIFE members will meet at 8:30am for breakfast at the McDonald's (230 State Route 31, Crystal Lake, IL 60014), about two miles north of the Holiday Inn. At 9:30am, we will head over to the show to join the 500+ Pontiacs expected to attend. You are welcome to meet us at McDonald's or at the show; however, parking together is easiest when arriving as a group. Registration for the car show is from 8:00am until 11:00am and the show runs from 11:00am to 4:00pm with awards at 3:00pm. Guest speakers/presentations run throughout the event both Saturday and Sunday.

Registration is \$30.00 per car (plus processing fee for credit card) and includes attendance at both days of the event. Pre-registering online is recommended and available until July 20, 2026 by visiting [CruisinTigers.com](http://CruisinTigers.com), or there will be day-of registration on-site.

This event draws all years and models of Pontiacs from across the Midwest and is one of the largest all Pontiac shows in the U.S. Come on out and help display our Fiero spirit by joining us at this event! NIFE out-of-towners: this is a huge event, so why not make a weekend of it and visit your NIFE friends? For more event and lodging information, visit [CruisinTigers.com](http://CruisinTigers.com).

Meet the 2026 "CAR SHOW KIDS!"

**Car 2026 Car Show Kids - Fueled by Heart, Driven by Hope**

**Mary** *Powered by Positivity*

Mary is a bright, brave 9-year-old with a smile that can light up the whole car show! After more than two years of treatment for leukemia, Mary is chugging toward an exciting milestone as she prepares to enter remission in early 2026. Through her journey, Mary and her family have turned challenges into kindness by helping other families through "Hope Kids" — comfort packages, filled with care and encouragement for children facing cancer. Mary reminds us that hope is the strongest engine of all — and hers is running full throttle.

**Roman** *Built Tough, Born to Roll*

Roman is an awesome 11 year old with a love for anything on wheels — cars, trucks, trains, you name it! After facing major medical challenges as a newborn, Roman continues to grow, learn, and shine in his own incredible way. Roman is adventurous and has a zest, but his joy and determination speak loud and clear. At his specialized school, he's gaining confidence, knowledge, and skills in an environment that celebrates who he is — especially his need for speed! Roman shows us that every ride looks different — and every ride toward is worth cheering for.

**Why This Matters!**

The Lions Charity Car Show is more than chrome and horsepower — it's about community, compassion, and coming together for kids like Mary and Roman. When we show up, we help find brighter roads ahead for families right here in Southeast Wisconsin. When Sunday, August 30, 2026. Where: Waterford Town Park. Why: Because cars = community = unstoppable magic!
